

! JOB OFFER !

VELD is a Brussels-based design studio that focuses on the field between architecture and urbanism.

For a series of new architectural and urban development projects, we are looking for a motivated architect to complete our team.

WE ARE LOOKING FOR

- + minimum 4 years professional experience
- + experience in advanced stages of architectural projects
- + being able to carry out a design process independently
- + Dutch and/or French speaking
- + strong architectural design skills, with sensibility for the urban scale
- + affinity for graphic representation is an asset

APPLY
